## OVER THE TOP AGAIN FOR THE WAR STAMP DRIVE

Passengers on the City of Se-  
attle Raised a Con-  
siderable Sum for  
Cause.

### PERSEVERANCE IS THERE

Good Amounts Raised from  
Juneau and the Points  
About Gastineau  
Channel.

The incoming passengers on the  
City of Seattle yesterday evening  
held a War Savings meeting, and  
\$460 was raised for the purchase  
of War Savings Stamps. Ninety-two  
stamps were sold.

W. A. Clark, President of the  
Council of National Defense and  
Chairman of the Exemption Board,  
who was a returning passenger, was  
chairman of the meeting, and J. T.  
Barron and H. P. Crowther were  
active spirits in the matter.

About two-thirds of the contribu-  
tions came from those connected with  
the Thlinget Packing Company, J.  
T. Barron, the President of the  
Company, members of his family and  
employees of the company.

More than \$100 was contributed by  
men connected with the Hawk In-  
let cannery.

Mr. Crowther, in speaking of the  
meeting, said that credit also should  
be given to the Japanese who came  
North to work for the canneries.  
"There was not one of them," said  
Mr. Crowther, "but that took one  
or more stamps."

Committee for Juneau.

On the stage with the chairmen
